Fiscal Analysis

ASSUMPTIONS:

1. This bill does not result in a change in the number of total nonresident B-10 and/or B-11 licenses sold.
2. The proposed reserved B-10 (100 licenses) and B-11 (100 licenses) will be taken from the quotas established for licenses.
3. These reserved licenses will reduce the amount of licenses in the drawing category for both the B-10 and B-11 licenses.
4. There will be a reduction of 100 B-10 and 100 B-11 licenses sold in the drawing category. However, the same number of licenses will be sold in the proposed nonresident landowner category for the same price. The same revenue will be generated for the license account.
